

Start Work On School Addition

Work on the addition to the Grass Lake School began early this month and will probably be completed some time in January, 1966, according to John P. Schockmel, new superintendent of the school.

Robert Hart, president of the school board, announced that the general contractor for the new construction is Ames Brothers, Inc., Waukegan. Subcontractors went to Warren Electric Service from Wildwood; Paul R. Avery, and septic work, and Kraus Sheet Metal Works, North Chicago, heating and ventilating work.

Although the new addition will not be completed by the time school opens, Schockmel said that kindergarten classes will begin with the opening of school in September.

John P. Schockmel

Kindergarten classes will use the old school building until the addition is completed.

Mrs. Sue Garland has been employed to teach kindergarten. She had previously been a full-time teacher at Grass Lake School, and last year served as a substitute.

The addition to the school consists of a gymnasium with a stage and locker room facilities, four classrooms and two washrooms.

John Schockmel is the new superintendent of District 36. He has been in education for eight years and was the building principal at Diamond Lake School in Mundelein last year.

He has been a classroom teacher, P.E. instructor, basketball coach and assistant principal at the elementary and junior high level.

Mr. Schockmel received his B.S. degree from Wisconsin State University at Platteville, Wis., and his M.A. from Roosevelt University in Chicago. He lives at 331 James, Mundelein, with his wife and two children.

Mr. Schockmel is an active member of the Junior Chamber of Commerce and was a recreational leader for the Mundelein Community Park District for six years.

One teacher is still needed to fill out the staff at the school, Schockmel said—an eighth grade teacher.

3 Rodeos At County Fair

All the flavor of the old county fairs, plus the up-to-date trimmings, will draw crowds to the Lake County Fair Grounds at Grayslake this week.

The fair started Wednesday and will run through Sunday, August 1. On exhibition throughout the fair will be the prize livestock and exhibits of handicraft, homemaker arts, clubs and civic organizations, plus merchants' displays.

The midway will offer the latest in thrill rides and booths to entertain fair visitors. Special events will include rodeos, horse shows, fireworks, and the crowning of the Lake County Fair Queen on Thursday.

Three rodeos are being offered during fair days. Performances will start at 8 p.m. on Friday, Saturday and Sunday nights, July 30, 31 and August 1.

Four Horse Shows are scheduled—the 4-H Horse Show Wednesday; the Appaloosa Horse Show at 9 a.m. Friday; the Western Horse show at 9 a.m. Saturday and the Pony show on Sunday at 9 a.m.

The fair grounds are located at the intersection of Routes 45 and 120, about one mile east of Grayslake.

High Schools To Exchange Films

The Antioch Community High School Board met Wednesday night, July 21, and it was agreed that Antioch High would engage in a film cooperative with four other high schools, Grayslake, Round Lake, Waukegan and Grant. General administrators of the five schools met recently to develop the agreement by which the cooperative would operate next year. This agreement was signed by the Board and secretary officially fulfilling the agreement.

The Board appointed Pollard and Wheeler, C.P.A.'s of Rockford to audit the 1964-65 accounts for which they will be paid \$600.00.

Catherine Levas, Lindenhurst, was employed for 1965-1966 as a cafeteria employee.

The Board purchased a food warming cart for the faculty dining area for the sum of \$800 from Amundson and Associates, Lake Forest. Paper bids were reviewed and the low bidder was Forest Atwood Paper Co., \$958.20. Pedersen Bros. was the low bidder for three tires for school buses, of \$189.11.

Salaries for school nurse, custodians, secretaries and cafeteria personnel were set for 1965-66 with an average increase of about 4%.

To Have Booth At County Fair

The Lake County Safety Commission will have an exhibition booth at this year's Lake County Fair.

Safety films will be shown every hour on the hour. Safety literature will be given at the booth. Yardsticks with a safe driving slogan will also be distributed.

Lions and Jaycees Combine For Fun - Filled Farmers Picnic

Old-fashioned contests and races of all kinds, a chicken barbecue dinner, and the crowning of the Jaycees Beauty Queen will add up to a day of fun and excitement for everyone at the Lions Club Farmers Picnic on Sunday, August 8.

The Lions will serve their annual chicken Bar-B-Q dinner. Somebody will become

the proud owner of a fine greased pig—after he chases and captures it.

There will be tugs of war between fire department teams in the district and between various organizations in the community.

Contests for children will include races of all kinds, including sack races.

Climax of the day's events

will be the crowning of the Jaycees Beauty Queen. Twenty-one girls are entered in the race for the title of Miss Lake Region Jaycee.

There are six new entries this week. Carol Saydak, Rt. 3, Box 71, Lake Villa is 19 years old, 5' 4" tall and weighs 105 pounds. She graduated from Grayslake H. S. in 1963. Her hobby is

painting. Her pageant talent will be singing. She is sponsored by Charles J. Cermak Realtors.

Sandra Drucker, Rt. 1, Box 243, Lake Villa, is 20 years old, 5' 8" tall, and weighs 135 pounds. She graduated from Antioch High School in 1963. Her hobbies are skiing, swimming and boating. Her pageant talent

will be dancing. She is sponsored by Quadriell, Inc.

Marilyn Nix, 1101 Fox Island, Ingleside, is 17 years old, 5' 5" tall, and weighs 115 pounds. She is a 1965 graduate of Grant High School. Her hobbies are drama, singing, skiing, sailing and painting. Her pageant talent will be singing. She is sponsored by Stringer Motors.

Penelope Huhn, 28 Riverside Drive, is 17 years old, 5' 2" tall and weighs 105 pounds. She's a senior at Grant High School. Her hobbies are dancing, singing, skiing and swimming. Her talent act will be singing. She's sponsored by Tina's Evergreen Cafe.

Linda Ladewig, Lake Villa, is 18 years old, 5' 4" tall and weighs 115 pounds. She graduated in 1965 from Antioch High School. Her talent act will be a comedy monologue. She is sponsored by Tony & Lill's.

Barbara Ann Caulfield, 27 Bluff Lake Road, Antioch, is 17 years old, 5' 7" tall and weighs 125 pounds. She graduated this spring from Cardinal Stritch High School. Her hobbies are skiing, modeling and politics. Her pageant talent act will be an original oratory. She is sponsored by North Central Suzuki.

Contestants whose pictures have formerly appeared in the Antioch News are Ginny Wells, Patricia Dibble, Avon Dyer, Kathy Smith, Mary Kay Motley, Toni Aernie, Linda Brown, Sandra Schmitz, Betty Frank, Cynthia Mortensen, Linda Lehaug, Janet Sheehan and Leslie Boese.

Judges for the contest will be Mrs. Arthur Meyers, Jack Heick, John Horan, Raymond Toft, Dan O'Shawn and Margaret Searing.

The girls, their sponsors, Jaycee officials and the judges will attend a dinner at The Angels at 2 p.m. Sunday, August 1. Some preliminary judging on personality will be done at the dinner.

The girls will perform their talent acts on August 7 at the Antioch High School auditorium starting at 7:30 p.m. They will also appear in bathing suits and formals.

Five finalists will be selected at the High School. These 5 will appear for the final judging at the Lions Club Farmers Picnic on August 8 at the Antioch Pool.

L.V. Rescue Squad Building Fund Grows

By Mrs. Bernice Bernau

Twenty volunteer workers raised \$1,513.75 for the Lake Villa Rescue Squad Building Fund when they went door to door in Lake Villa proper, Petite Lake, Deep Lake, and the east shore of Crooked Lake last Sunday afternoon. Several memorial donations of \$10, \$25 and \$50 were given for Peter Niergaard who died last year.

So far, \$3,854.35 has been raised in Lindenhurst, Millburn, Venetian Village, and the area just mentioned. Follow-up calls are being made in all the areas by the Lindenhurst Women's Club, Venetian Village Women's Auxiliary, the West Milmore Women's Club and the Lake Villa Women's Club.

Six dollars was raised by Patty and Jean McCarthy, Debbie and Kathy Soby and their friends, when they held a "Penny Paradise" Fun Fair in Venetian Village last week.

Sunday, August 1, many workers will be needed to cover Fox Lake Hills, Petite Lake Highlands, Deep Lake Park, Cedar Crest, East Shore Gardens and Buena Park. The committee is hoping people from these communities will volunteer to help out for a few hours. Anyone who will help is asked to be at the Rescue Squad building in Lake Villa at 1:30 p.m. Sunday.

If all goes as planned, construction may be able to start next spring.

Two Boys Drown In Lake County

Two boys drowned in Lake County last weekend. Woodrow Jackson, 15, of 307 Genesee St., Waukegan, drowned in Grass Lake when he fell into a deep hole. He was wading in the water while his parents were fishing.

Arthur Pratt, 6, of Gurnee, drowned Sunday in Druce Lake. He and his brother, Mark, 8, disappeared while swimming at Willow Park. Their mother summoned help and a rescue squad pulled the boys out of the water. Mark was revived.

NICC Promotes Trap Shoot For Mark Frerks Fund

By Harry H. Stern

There's going to be a CHICKEN SHOOT in Antioch on Sunday, August 15th, that will make previous events pale into midwinterville.

Staged by Charlie Haling, Grass Lake, entrepreneur and local good samaritan, and the Northern Illinois Conservation Club, who are contributing their grounds, trapshooting equipment and personnel, their aim is to swell the coffers of the Mark Frerks Fund by some \$1500, as well as to raise scatterboard shooters' temperatures to match the recent weather.

Tender young chickens and mouth-watering hams

will be the reward for gunning prowess, as well as other valuable merchandise which is being contributed by generous merchants and firms.

Mark Frerks, age 5, was seriously burned on June 3, when a can of gasoline which he was pouring on a fire exploded. Prompt action by the Antioch Rescue Squad and heroic efforts by Dr. Edward Abderholden and the Victory Memorial Hospital staff kept Mark alive until he could be moved to a hospital specializing in burn treatment.

By the efforts of Haling, wheels were set in motion to have him received at the Shriners Burn Institute in Cincinnati, where he now is and will be for the next six to twelve months. Everything known to medical science is being done to bring about his recovery.

His mother was also burned when she rescued him from the flames, and she, too, is with him in Cincinnati.

While the Shriners are giving all this hospitalization and care free of all charges, some \$1800 in medical bills were incurred previously, which the Frerks are unable to pay. So Haling launched the Mark Frerks Fund on July 1st to raise an amount sufficient to pay these bills.

Some \$250 was raised quickly and then the flow of contributions slowed up, whereupon officials of the Northern Illinois Conservation Club suggested a Chicken Shoot as a means of speeding up the cash inflow.

The NICC traps can handle up to 200 five-man squads and preparations are being made to handle a gathering of these proportions. Shooting will start at 9 a.m. and will continue until dark, about 8:30 p.m., at the NICC grounds, located 3 miles west of Antioch on Route 173.

All shooters are invited, as is the general public. Contributions are eagerly sought and may be mailed to MARK FRERKS FUND, c/o Haling, Rt. 1, Box 205, Antioch. For more information call Haling at 395-2250, or Harry Stern at 395-2713.

Sales of Savings Bonds In Illinois

Lake County residents purchased a total of \$348,585 in Series E and H United States Savings bonds in June according to Philip L. Speidel, general county chairman of the savings bonds committee.

Sales in the state of Illinois were \$26,880,416, according to Arnold J. Rauen, state director of the Treasury's savings bonds division. This represents an increase of 0.5% over sales for last June, and accounts for 7.4% of national sales which were \$362,290,000. Sales in Illinois in the first six months of this year reached 49.3% of the annual quota which is \$350,100,000.

L.V. Correspondent Has Heart Attack

Mrs. Fred Bartlett, Sr., Lake Villa correspondent, hopes to resume her column next week. She is believed to have suffered a slight heart attack Friday night and is somewhat improved at home.

OPEN PIT STEER BARBECUE AUGUST 7

The Lake Villa Veterans of Foreign Wars are holding their second annual Black Angus Steer Open Pit Barbecue at the Lake Villa Memorial Post.

Serving will be from 5 p.m. to 9 p.m., with dancing after dinner.

VISITOR FROM CANADA

Mrs. Marjory Merrill of Dryden, Ontario, Canada, is the guest of her granddaughter, Mrs. Walter Shepard, and family.

Actions By Drivers License Division

Secretary of State Paul Powell has announced the following actions by the Drivers License Division of his office affecting Antioch residents: license suspended after three violations: Orville J. John, 343 Cedarwood, Antioch, and Frank R. Wegner, 2 W. Loon Lake, Antioch.

A probationary permit was issued to Dale E. Cunningham, 669 Main St., Antioch.

New Traffic Laws

Although the 74th General Assembly never managed to reach an agreement on reapportionment, they did pass a great many new laws. Several of the new bills include traffic laws with which every motorist should be familiar.

A new left turn rule became effective on July 1. The new left-turn law provides that the driver making a left turn must always yield the right of way to cars approaching from the opposite direction. This was previously true at intersections; the new law includes alleys, private roads and driveways.

A new passing law, which also became effective July 1, increases the distance of traffic-free highway a driver must have to pass a car. Drivers must now have room to get back in their own lane before coming within 200 feet of an oncoming car. The former distance was 100 feet.

Cutting corners to avoid a traffic control sign, whether it's a red light, stop sign or what-have-you, is also illegal since July 1. The new law reads, "It shall be unlawful for any person to leave the roadway and travel across private property to avoid an official traffic-control device."

Backing on controlled-access highways is prohibited at any time, whether or not it appears to be safe. If you miss your exit, you go on to the next one, even if there isn't a car in sight.

Since July 1, it is illegal to open the door of a vehicle on the side on which traffic is moving, unless it can be done without interfering with movements of other vehicles.

If you're in doubt about what to do when your side of the highway is blocked by a barricade, the Illinois Legislature has clarified the matter for you. You always yield the right-of-way.

And passengers may no longer ride in house trailers being towed on the highway. No, not even if you wish to take a nap. Too many people got hurt that way.

Of course, if you want to avoid an accident, you'd better not depend on the other driver's knowing the laws, or observing them. If in doubt, either as to the law or the other driver's intentions, yield the right-of-way. You'll live longer.

Guest Editorial

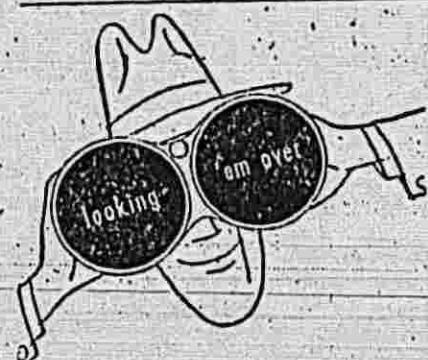

With the continued increase of high speed motor boats on the Chain of Lakes, we should now insist on legislation for proper controls on the use of power boats and demand of the courts adequate punishment for those who cause accidents by reckless and incompetent driving.

For instance, an accident on Lake Marie two weeks ago was caused by a high speed boat crossing the lines of a young skier, breaking both his legs, with severe lacerations from the boat's propellers. He will be hospitalized for some time and may be permanently lamed.

The Antioch Rescue Squad has done its duty. The doctors are working on the case, the insurance companies will probably pay and based on current records it will take the courts years to assess the damage.

But what of those responsible for this accident? Will they be punished or just warned? This is something to think about now before our lakes match the highway in human slaughter and injury.

Minimal punishment makes death and maiming a burlesque as is now the case in highway accidents.

Trends in Thought

A Rutgers psychologist has discovered something that mothers have known for a long time—that quick learners are not necessarily better off in the long run, than their slower-learning brothers and sisters.

The slow learner, says the psychologist, often has a caution and thoroughness lacking in the quick-minded student. And he puts what he learns to better use.

Mothers just say, "Johnny may not learn as fast as some, but once he learns it, he never forgets."

Your Congressman

By Cong. Robert McClory

One of the knottiest problems in the current voting rights legislation involves the issue of the poll tax. Poll taxes, which persist in only the five Southern States of Louisiana, Texas, Mississippi, Virginia and Alabama, are frequently employed as a device for discriminating against Negro voters.

In giving general support to the Republican version of the voting rights legislation, nevertheless, I sponsored an amendment to ban the poll tax as a qualification or condition to voting in state or local elections. The amendment was adopted overwhelmingly. However, some persons, including the U. S. Attorney General, contend that the poll tax cannot be annulled by statute, but can only be removed by an amendment to the Federal Constitution. Many lawyers agree with that view.

On the other hand, the Attorney General and most constitutional experts concede that the Congress has broad power to end racial discrimination in voting. In addition, all seem to agree that the poll tax has been employed in the hard core Southern States to deprive Negroes of their right to vote.

While outlawing of the poll tax in Federal elections was accomplished by the 24th amendment to the Constitution (ratified in 1961), many respectable constitutional authorities assert that this could have been accomplished by a simple statutory enactment. In fact, the U. S. House of Representatives passed bills outlawing the poll tax in Federal elections at five different sessions commencing in 1939.

On each of those occasions a filibuster blocked passage of the bills in the Senate. Submitting the issue to the states for ratification as a constitutional amendment appears to have been a compromise—and not an admission that the issue could not be resolved by simple legislation.

An analysis of the votes cast in the U. S. House of Representatives have always favored outlawing of poll taxes as a voting qualification. In 1946, for instance, Republican Members voted 216 to 14 in favor of abolishing the poll tax.

All of the measures which have come to the U. S. House of Representatives and Senate this year have contained findings that the poll tax is widely used as a means of depriving Negro citizens of the right to vote. According to our arduous and voter discrimination on the basis of race or color, outlawing of the poll tax by the Congress would seem to be most necessary.

INDIAN CANOE MAKER

John Dube, a full-blooded Iroquois Indian, will demonstrate the lost art of canoe making in the American Indian Village at the 1965 Illinois State Fair, Aug. 13 through 22. Also appearing will be Chief John Bigtree, who posed for the famous "End of the Trail" statue, which depicts an Indian horseman slumped over in his saddle, symbolizing the displacement of the Indians by the western migration of the white man.

Men like Thomas Edison have been proving through the generations that the fast-blooming genius is not necessarily the most valuable man.

The same psychologist avers that everyone can't learn by the same method. Some learn best by reading, some by doing, others by writing. So maybe we should all quit insisting that all kids learn by the same method, and grading accordingly.

And perhaps it would be as well if colleges would quit putting so much stress on the student who can get through a monumental amount of work in a given time. We may well be losing our best men.

ALONG THE WAY with Annie Mae

Here we are in the middle of the lovely "sneezing" season, in case you are one of the fortunate ones who isn't afflicted with the weed-disease and like a group of leaky faucets, we spend our lives mopping up! And so if the news is a little skimpy this week, it was simply because I had a little trouble seeing through my tears.

THE LATEST REPORT

Bob and Vicky Wilton made their annual pilgrimage to Kings Highway this last week to get away from that lovely golden weed. . . . It's very possible that a local "lady-in-waiting" will double-up this time; . . . and we hear that another Main St. store has been rented, by somebody for some kind of business, more later when we get the details. . . . be sure to look for the "Straw Hat" kids on the street Maxwell St. days, and give the ma donation to the American Field Service—Foreign Exchange program, they need it, as a matter of fact they'll even give you a kiss in return!

NOTES TO YOU: Caught a glimpse of Ted Costoff scooting by Hillside Ave. the other day and then remembered

that his new hardware is in the Shopping Plaza, so red-faced, he put his car in reverse to head in the right direction. . . . Another business empire is being built by Chief Dubas of the Ben Franklin; he just purchased the Zion store to add to his collection. . . . In case you thought the weatherman was just kidding about the temperatures last week, Lasco's Greenhouse has proof that he was right; that high-rise thermometer set off their fire alarm system!

THE LAST DROP: Back in the news is Big John who has a heart to match, he will sponsor a golf tournament we hear, to be held at George Diamond's, and will be to the benefit of the Antioch Rescue Squad. Sometime in September, I think. . . . At last our fair village will be larger by forty acres of subdivision to be developed by a local contractor and his partners. Situated in the northeast section of the village, could possibly add 160 homes to the present population.

"DID YOU HEAR?" the definition of Hay? Grass a' la moved!

Tearfully yours,
Annie Mae

Courthouse Notebook

BY LOU DURKIN

It's good to see football moving onto the scene particularly now that our pre-season selections to win the American and National League titles seem determined to help us maintain an almost unbroken string of bad guesses and prognostications.

It's not that we've given up on the White Sox and St. Louis Cardinals; it's just that the opposition is stronger than we had anticipated.

But with football entering the scene next week with the College All-Stars taking on the Cleveland Browns and the Lake County Rifles opening their season the following week there is hardly time to rue earlier selections.

The Republican State Central Committee has again turned its back on Lake County by ignoring the area in its selection of possible selectees for the special commission that is supposed to come up with a House reapportionment plan.

Despite its reputation as a Republican bulwark in Illinois and despite its position as one of the largest counties in the state, Lake County just can't seem to make an impression on the rest of the state where GOP politics are concerned.

Two years ago Gov. Kerner vetoed a House re-map bill because two districts weren't provided for Lake County, but when it came time to provide the names of commission members the GOP state central committee ignored the county.

The Democrats, however, were able to come up with Daniel Pierce of Highland Park and he was ultimately appointed by Gov. Kerner and was one of the 10 men who failed to reach agreement sending the election of State Representatives into an at-large balloting.

James Gorter, who represents Lake, Boone, and McHenry counties on the state central committee, reports unanimous agreement on the selection of the 10 men from among whom Gov. Kerner will select five to serve on the commission.

We would have preferred to see the names of someone from Lake County instead of overload of Cook County Republicans or those from districts where the GOP vote is so small as to make it almost weightless in state considerations.

There should have been room on the commission for W. J. Murphy, of Antioch, whose legislative experience and political experience might have offset the stubbornness of "non-political" appointees that killed all chances of re-apportionment the last time the task was assigned to a commission.

Max Wildman, of Lake Bluff, would have done a good job of protecting Lake County interests, or Chuck Miller, of McHenry County, who is being touted as a possible successor to Gorter, would have been counted on to see that this area emerged from the conference with a reasonable map.

Letters to the Editor

July 23, 1965

Dear Mr. Shepard,

I am in the plane now. The tour is all over! So is the AFS meeting! The trip to Ohio, Vermont, New York, Pennsylvania and Washington, D. C., was really interesting. Every community we stopped at was very nice. We all stayed 3 or 5 days these stops with host families. It's amazing the people are so interested in AFS.

First of all, the country, Vermont, I liked best, and I liked Washington, D. C., as a city. The World's Fair was really interesting, too.

Second, I especially want to tell you about the "Midway" at Washington, D. C., including to meet President Johnson. 2,000 AFS students got together at Washington, the end of the trip. All of us are friends from all over the world. This five days, lots of meetings, are more than United Nations' meeting, which is really close friendship we have among these 2,000 AFS'ers.

President Howe (of AFS) said, it will be true the peace comes out in this world in the near future, because we proved this great friendships among us, almost 3,000 people from 53 different countries. President Johnson and Luci Johnson spoke for us the other day. They really are interested in this program, too.

I do hope you are well and happy.

Sincerely yours,
Masaji Okubo

Burgan Mid-Season Champ

Dennis Burgan drove back into the championship point lead at the Waukegan Speedway Saturday night by dramatically edging hard-driving rookie, John Hood, in the final curve of the last lap.

Burgan took the lion's share of the largest late model purse ever paid at the Speedway, as some 41 late model pilots entered in the torrid competition. Elsewhere, the huge Saturday night crowd went wild again as the N&S Auto Parts team demolished previously undefeated Butch's Auto Parts in the violent ten car head-on team demolition contest.

Burgan grabbed the feature lead when Ray Dixon spun while leading in the seventh lap, but Hood closed the gap and trailed Burgan by only a car length by the fifteenth circuit. A spinning Dave Evans nearly eliminated Hood in the 23rd lap, but Hood, in his first full year of competition, charged back and finally caught Burgan as the white flag blew going into lap 35.

The suspenseful final lap drew the fans to their feet as Hood drove inside of Burgan's convertible going into the third turn, then pulled even through the fourth turn. But Burgan proved to be the master of the situation as he triumphed by a few feet in the sprint for the checkered banner.

Earlier in the evening, Burgan had again lost his point lead to Jim Cossman by virtue of Cossman being the night's fastest qualifier. . . but Cossman was forced out of the feature in the twelfth lap with a broken sway bar, allowing Burgan to climb back into a slim point lead.

Tim Seyl won the semi-feature the hard way. After a restart, demanded by a mass pile-up on the back stretch, Seyl jumped into the lead, but in the fourth lap he spun down the home stretch with Pete Brewer grabbing the lead. Lap after lap Seyl stormed back and finally, with only one lap remaining, Seyl inched ahead of Brewer and then held on to carry his second victory flag of the evening.

Big Upset in Demo
The ten car head-on team demolition contest staged directly in front of the main grandstand proved to be a real crowd pleaser as the N&S Auto Parts team outfoxed and out-manuevered previously undefeated Butch's Auto Parts.

N&S's secret weapon of the night was the return of Frank "The Wrecker" Decker to the demo ranks and after the smoke cleared, the N&S team was a popular victor. A return match is slated for Sunday night, Aug. 1, as an added attraction to the modified stock car mid-season championship races.

Two flips stopped the jumpy heat race action. Ed Flynn, recently released from the hospital after a five day rest required for his spectacular flip two weeks ago, again flipped Saturday night. Also the "Roll-Over King," Marty Chapman, again was a victim as his Zion-Sanitary sponsored Chevy flipped. Neither driver was injured and both hope to return next Saturday night.

MIDSEASON CHAMPIONSHIP
Next Sunday night, August 1, Waukegan Speedway will present the midseason championship races for modified stock cars. The eleven-event program will be topped by a 50-lap feature.

A large field of cars is expected for the evening's competition. Many track records will be in jeopardy. Sunday night, including Jim Sullivan's 50-lap mark. Speeds have increased with each race program. Right now several cars are knocking at the door, trying to speed below the magic 15 second barrier for one lap.

Also hanging in the balance will be the championship point standings. Double championship points will be awarded throughout the evening among the modifieds.

Among the top entries will be John Reimer, of Caladonia; Ken Flougan, of Sussex; Duane Harris, of McHenry; Bill Bohn and Chuck Uttech, of Kenosha; Jim Sullivan, of Antioch; Roger Otto, of Burlington; "Mouse" Wade and Bob Ratajczyk, of Waukegan; Gino Wagner, of Cudahy; Jack Radtke, of Lake Villa; and Bill Strom, Bill

The Antioch Bowl will be open every day starting Friday, July 30. League captains are urged to get their teams together for the league season starting in September. Anyone wishing to bowl in league this fall can register at the Antioch Bowl.

The Spades beat the Pup-py Toes 2 games and the Bo-ers beat the Game Losers 3 games in the Antioch Jr. summer league last Friday. Phil Mapelthorpe had a 536 series and Dan Matteoni a 512. Dave Longly had a 510, with a 209 game.

Cossman Shatters Track Record

Point leader John Reimer, powered by Ken Flougan in the twentieth lap of the modified stock car feature at Waukegan Speedway Sunday night to add another victory to his long list. Jim Cossman second among the late model point leaders, shattered the old twelve lap record as he out-manuevered a field of 20 late models in their feature event.

Jim Sullivan blasted into the modified feature lead from his outside, front row starting position, but it was short-lived as he spun out in the second lap. . . scattering the trailing fifteen cars throughout the fourth turn. Claude Potter streaked by Sullivan first and held the lead for the next eight laps, closely pursued by Bill Schultz and then Ken Flougan.

Coming down the home stretch on lap eleven, Flougan pulled high to the outside and, in a fine move, flashed by both Schultz and Potter. Gino Wagner forged into second spot, but spun in the 16th lap, Reimer inheriting second.

Four laps later Reimer seized the lead from Flougan. Duane Harris slipped by Bob Ratajczyk in the next lap and came home third, while Sullivan stormed back in the hotly-contested event to claim fourth in the final lap.

Earlier in the evening, Schultz defeated Reimer in the breath-taking third heat finish. Bay Darnell was a

Tie For First In L.V. Little League

By Bernice Bernau

From the opening week of Lake Villa Township Little League play, when the Angels and the Dodgers played a 4 to 4 tie game, until the present time, the race for the championship has been these two teams. Both teams have held the top spot at various times and have identical 10 and 3 records, with each team having one game to play. The Angels' remaining game is with the seventh place Sox while the Dodgers must meet with the third place Yanks, who have already handed the Dodgers one of their three defeats.

The Dodgers moved into a tie for the top spot as a result of games played last week. In their only scheduled game, they defeated the Giants 6 to 3. The big blow of this game was a three run homer by Gordon Persha. The Angels, due to previous postponed games, played three games last week. They defeated the Pirates and the Braves, but were upset by the Yanks. In addition to upsetting the Angels, the Yanks defeated the Pirates to become sole owners of third place. The defeat dropped the Pirates into a three way tie for the fourth spot with the Braves and Giants. In a high scoring game the Sox defeated the Cubs by a score of 11 to 7.

Score 17 Runs, But Casey's Can't Win

In the Girls' Softball league Casey's Trap lost another one to the Antioch Darts, 17 to 10, at Emmons School last Monday night.

Tuesday night the Lake Villa Checkers beat Casey's 14 to 6 at Golfview. The next game will match Casey's and the Checkers at Lehmann's Park in Lake Villa on Monday, August 2. The Darts will play Casey's at Golfview on Tuesday night.

Darts Win One, Lose One In Girls Softball League

The Antioch Darts scored 17 runs last Tuesday to beat Casey's Trap. Casey's scored 10 runs.

Donna Schroeder pitched for the Darts, with Nary Donovan catching. Cookie Gorman was the losing pitcher, with Toots Nissen catching for Casey's.

The Lake Villa Checkers were too much for the Darts in Thursday's game. The Checkers totaled 18 runs to the Darts' 11. Shirley Green was the winning pitcher, with Sandy Schneider catching. Donna Schroeder and Nary Donovan were the battery for the Darts.

The Checkers scored 3 runs in the first inning, 6 runs in the second and third innings due to errors by the Darts. No runs were made in the 5th and 6th innings and one run scored in the seventh.

L.V. All Stars To Play Tournament

By Bernice Bernau

The Lake Villa All Stars will play in the 14th Annual Little League Tournament at Thilsons Stadium, Kedzie and Devon in Chicago, Saturday, July 31 at 5:30 p.m. They will be playing against the Racine White Sox Little League All Stars.

Ed Taylor has been managing the All Stars. Fred LaChance and Hugh Temple are the coaches. In a practice game last Saturday against the Gurnee All Stars, the two teams tied with a 3 and 3 score. They are scheduled to play an All Star game Thursday night at Grandwood Park starting at 6 p.m.

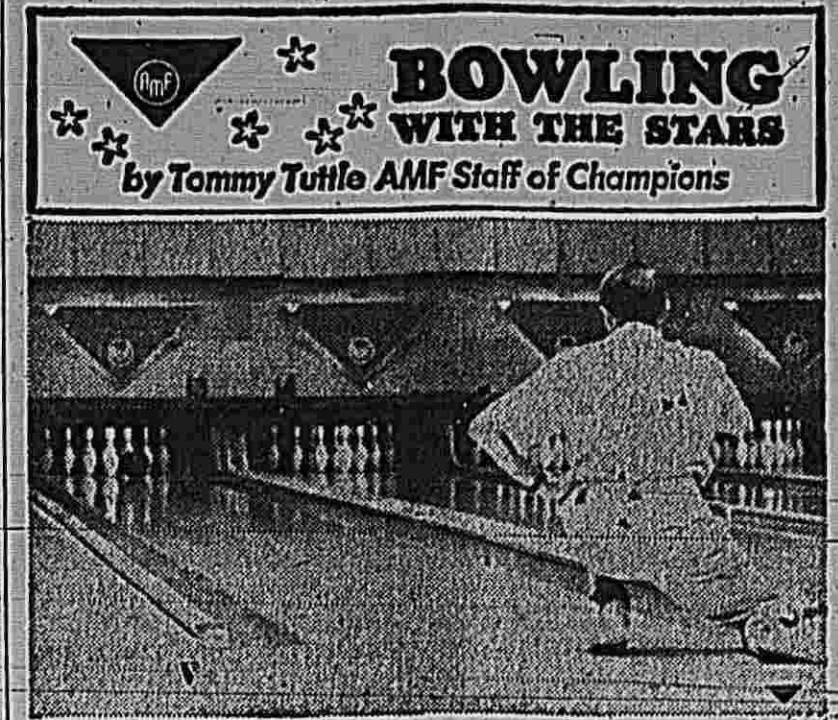

A Little League Minor game will be played at 5:00 p.m. Thursday, July 29 at Grandwood Park, also.

TO HONOR GREY-HOUND'S MEMORY

The owner, trainers and handlers of Illinois' and perhaps one of the world's greatest trotting horses, Greyhound, will be honored in ceremonies at the 1965 Illinois State Fair on Wednesday, Aug. 18, before the Greyhound Stakes race at the grandstand. The Fair begins Friday, Aug. 13, and will run through Sunday, Aug. 22, in Springfield.

Spare Shooting

Many bowlers continually ask how to pick up spares. As a basic rule, for spares on the right, stand to the left; for spares on the left, stand to the right. How often have you seen a person try to make a ten pin by rolling the ball down the right side of the lane? Actually, they should stand on the opposite side of the lane and angle the ball toward the ten pin.

In covering spares on the right, the bowler should approach this spare from the left side of the lane. Now rather than walk straight down to-

ward the foul line, you angle your feet and body slightly toward the spare and walk in your approach toward it. Naturally, the shoulders will not be parallel to the foul line at this point. Basically you walk toward the spare you have standing. There is less chance of error when you use this method of spare shooting.

Harris Adds More Points To Lead

Duane Harris of McHenry, current point leader in the Modified stock car division at the Kenosha County Speedway in Wilmet, stretched out his lead with a win in the 25-lap feature race Saturday night.

Harris went into the lead on a restart as he out-gunned Bob Ratajczyk of Waukegan who had led up until this point.

At the end it was Ratajczyk, second; Jr. Dodd, 3rd; Jim Sullivan, 4th; Bill Bohn, 5th, and Jim Lawrence 6th. It was the most exciting racing of the entire season at the popular stock car oval and the crowd was the largest to see the races this year and not a single fan was disappointed because several times throughout the night cars flipped, rolled over and skidded around only to continue again.

The fierce action started in the first 10-lap heat race when Denny Norwood flipped his car in the apron-area going off the first turn. On the restart Gino Wagner, who

All-Stars Knocked Out Of L.L. World Series

The Antioch Little League All-Stars team won their first tournament game in the eliminations for the Little League World Series, but were held scoreless by their second opponent, Lincolnwood, in Friday's game at Great Lakes.

Last Wednesday's game at Antioch ended with Antioch on the winning end of a 5-0 score against Skokie. Antioch has 7 hits and no errors, Skokie had 1 hit and 4 errors. Winning pitcher was John Schaefer, losing pitcher was McArthur.

Schaefer gave up 1 hit to Shane, a double, and hit a home run for the Antioch team.

Jeff Smith was the only Antioch player able to get a hit off the pitching of Klien in Friday's game against Lincolnwood. Lincolnwood scored 17 runs from 20 hits. Antioch had 1 error, Lincolnwood none.

STOCK CAR RACES

The first five point leaders in the scramble for this year's USAC stock car championship will compete in the 100-mile late model stock car race at the 1965 Illinois State Fair Friday, Aug. 20. Norm Nelson, the current leader; Don White, Paul Goldsmith, Herb Shannon and Jim Hurtubise have been signed for this, the first State Fair stock car event, which promises to be a welcome addition to the fair's already prominent speed card.

The fair will open Friday, August 13, and will run through Sunday, August 22. "Unless you are a strong swimmer in distress . . . immediately call for help. Then try to reach the person with anything at hand—a pole, tree branch, rope or piece of clothing. If these measures fail . . . find something to throw to the person that will hold him up, or reach him by boat."

Pick Wagner Holds Lead

John "Pick" Wagner looked like a sure winner in the Kenosha County Open Golf championship last weekend with a 69 Saturday at Petri-fying Springs and a 70 Sunday at Spring Valley, his home course.

If Wagner keeps up his winning pace in the last round of the tournament at Maplecrest next Sunday, he will be the first to win the County Open championship for the fourth time. His nearest competitors are Skip Adams and Joe Broesch, each four strokes behind "Pick."

Wagner shot Petri-fying Springs in one-under-par, then shot his own course in even par. Judging by his previous action at Maplecrest, he has no reason to fear the last round in the tournament. He has twice toured Maplecrest in 69 in former County Opens. His worst round there was a 76 last year in 90 plus temperatures.

Real Troubles

From a file of Social Service Workers' Reports: "Woman and house neat but bare."

"Couple breaking up home, friends helping."

"Man has diabetes and is insulated twice a day."

"Until a year ago, this applicant delivered ice and was a man of affairs."

"Milk needed for the baby, and father is unable to supply it."

"Nice quiet home family. Dorothy has been out since July."

"Applicant has one child, Lillian, who is three months old and owes 12 months rent."

"These people have religious pictures all over the house, but seem clean, however."

"Couple's only source of income is four boarders—all out of work."

VINTAGE IMPLEMENTS SOUGHT FOR FAIR

A look into the agricultural past awaits visitors to the 1965 Illinois State Fair, Aug. 13-22, at the new Farm Equipment Museum. Here antique implements from the horse drawn era will be permanently displayed in the south end of the Farm-a-Rama Building. Fair Manager Franklin H. Rust hopes to round up at least 100 pieces of 19th century equipment for the opening of the museum on the first day of the fair.

Swimming Safety

"With the summer swimming season . . . here, YMCA aquatic experts again emphasize the best way to be safe in the water is to know how to swim."

"If you should find yourself in danger . . . keep calm, don't lose your head and begin to thrash wildly. Look for something to cling to, even a small object will help. And don't forget your body has a natural buoyancy and will float if you give it a chance."

"Should you see another swimmer in distress . . . immediately call for help. Then try to reach the person with anything at hand—a pole, tree branch, rope or piece of clothing. If these measures fail . . . find something to throw to the person that will hold him up, or reach him by boat."

Mr. and Mrs. Wayne Hanke

Zeman-Hanke Nuptials At St. Peter's Church

Miss Barbara Zeman became the bride of Wayne Hanke at a noon ceremony at St. Peter's Church in Antioch on June 19. The Rev. Father Hanley officiated at the double ring service. The bride was given in marriage by her father.

The bride is the daughter of Mr. and Mrs. Frank Zeman of Channel Lake Shores. Mr. Hanke is the son of Mr. and Mrs. Otto Hanke, Jr., 441 Orchard St., Antioch.

The bride chose a floor-length gown of chantilly type lace over bridal taffeta. The bodice was fashioned with scalloped neckline and long tapered sleeves. The bouffant skirt had a chapel length train. A headpiece of lace and pearls held her imported illusion fingertip veil. She

carried a cascade bouquet of white carnations and roses.

Cathy Smith was maid of honor. Nikki Badame and Crystal Zeman were bridesmaids. Jane and Carol Zeman served as flower girls.

The bride's attendants wore waltz-length gowns of pink organza with jackets. They carried cascade bouquets of pink and white carnations.

Russell Verkest was best man. Art Hanke and Mike Verkest were ushers. Tommy Zeman was ring bearer.

A reception for 250 guests was held at the Lake Villa VFW Hall. Mr. and Mrs. Hanke are at home at Rt. 3, Box 321, Antioch, after a honeymoon trip to the Black Hills of South Dakota.

Both the bride and groom are graduates of Antioch High School, and both are employed at Charminglows Products.

Engaged

Lynette Diane Harms

Mr. and Mrs. Melvin Harms of 327 Burnette Ave., Lake Villa, announce the engagement of their daughter, Lynette Diane, to Robert Banasack of 171 Magnolia Lane, Lindenhurst, Illinois.

Miss Harms graduated from Antioch Community High School and attended Illinois Wesleyan University where she majored in Music Education and Spanish.

An October 23rd wedding is being planned.

WILL SOON MOVE TO ARIZONA

Robert C. Wertz, son of Mr. and Mrs. Charles Wertz, has accepted a position with the Goodyear Company at Phoenix, Arizona. Mrs. Wertz is the former Norma Brown, daughter of Mr. and Mrs. Harrison Brown of Antioch. They plan to move to Phoenix in September.

RETURN TO HOME IN MICHIGAN

Mrs. Harry Bothe and children of Birmingham, Michigan, returned home Thursday, after spending a week with Mrs. Bothe's parents, Mr. and Mrs. Irving Elms, at their Channel Lake home.

Irish Girl Visits Salem Relatives

Seventeen-year-old Caroleene Murphy, daughter of Mr. and Mrs. R. Patrick Murphy, Cork City, Ireland, is here to spend her summer vacation with her aunt and family, the Robert Patrick's of Salem.

An honors graduate of Saint Angela's College, Cork, and an avid sports enthusiast, Caroleene has performed in many of her native Atlantic swimming galas, and tennis tournaments. She is thoroughly enjoying her introduction to "fresh" water swimming in the local lakes areas, and has found new excitement in horseback riding, water skiing and many other sports native to this country.

Caroleene likes the informal way of American life, and is relishing the menus with which she is being entertained.

Having come from a very temperate climate, she remarks that the storms are a little more than "frightening." She finds the American teens wonderful and friendly.

Caroleene will be returning to Cork the latter part of September, and will attend University College, Cork, where her brother is a third year medical student. Another brother is mastering in Science Research at Galway University, a program whose development has gained United States interest.

Return Home From Africa

Sherry Clawson, 10 years old, and her sister, Kim, 7 years old, arrived at O'Hare airport Wednesday on their way to Antioch to visit their grandparents, Mr. and Mrs. Charles Wertz.

Sherry and Kim and their parents, Mr. and Mrs. Paul Clawson, spent the past year in Africa. Mr. Clawson is a geologist with International Minerals in Skokie. Mrs. Clawson is the former Marlene Wertz.

Sherry and Kim flew home alone, while their parents flew to Germany. After a three-week tour of Europe, they plan to return home on the U.S.S. United States, which will dock August 24 in New York. They will then return home to Gurnee.

HOLD FAMILY REUNION

The Kreutzer family had their annual family reunion at the home of their cousins, Mr. and Mrs. Andrew Schoenberger, at Lake Shangri-La, Bristol, Wis. There were 49 guests present from Chicago, Elmhurst, Bellewood, McHenry. Also present were Mr. and Mrs. Robert Krieston and their five children visiting from Tehran, Iran, and who will return to Tehran in August for two more years.

of aqua and white carnations. The flower girl carried a white lace basket of aqua and white flowers, and petals which she scattered before the bride.

The bride's mother wore a sheath of pink metallic cloth with matching accessories. The bridegroom's mother chose a dress of sapphire blue chiffon with a sheath skirt, and a pillbox hat of blue crepe, with white accessories.

Miss Cindy Van Hammer, niece of the bride, was flower girl.

Robert R. Crawford, brother of the groom, was best man. Groomsman were Jay Wood, brother of the bride, Richard Loydath, Don Miller, and Tom Luma. Ushers were Gary Halvorsen and Darrel Strom. Steve Morgenson, nephew of the groom, was ring bearer.

A wedding dinner was held at the Kilbourne Gardens at 4:30 p.m. for 33 guests, followed by a reception for 40 guests at Dania Hall.

Mr. and Mrs. Crawford honeymooned in northern Wisconsin and Minnesota. They will reside in Racine.

Beverly Ann Sandness

Set September Wedding Date

Mr. and Mrs. Alvin Sandness of Valley City, North Dakota, announce the engagement and approaching marriage of their daughter, Beverly Ann, to Robert Krieger of Lake Catherine, Wis.

Both Miss Sandness and Mr. Krieger attended Trinity College in Chicago, where Mr. Krieger was a member of Kappa Tau. The couple will complete their studies at Southern Illinois University.

The wedding date has been set for September 4 in Valley City, North Dakota.

Activities of Rainbow Girls

The Antioch Assembly, Order of Rainbow for Girls, met Monday evening, Leslie Beese, W. A., presided over the meeting. Reports were given on Grand Assembly session which was held at the Conrad Hilton, Chicago, July 15-17.

Harriet Wells, G. W. A., presided over the outstanding session. Seventy-four W. A.'s from the assemblies in Illinois were present. There were 10 G.W.A.'s from other States. Many dignitaries from the Masonic Lodge and Eastern Star Chapters were also present.

This year the members had the honor of having the Supreme W. A., Mrs. Grace Sprecher, at all of their sessions.

On Saturday evening, July 17th, Harriet installed the Grand Worthy Advisor, Miss Lynn Kraft, from Bloomington Normal, and other grand officers. A reception in honor of Miss Kraft was held Saturday, July 24 at the Masonic Temple in Bloomington. Mrs. Wilma Gibbs, M. A., accompanied some of the members to the reception.

Wednesday evening, Leslie Beese, will preside as W. A. and Jeannine Dow as Faith at a Friend's Night at Grayslake Assembly.

A reception for Nancy Jansen, Grand Worthy Associate Advisor of Oak Lawn Assembly, will be held Saturday, July 31st.

On Tuesday, August 3rd, the members will meet at Mrs. Gibbs' house to work on the charity project for Leslie's term. It will be making felt boards for the children in hospitals.

To Recruit Scouts At Round-Up

Boy Scouts of the Northwest District will start a "Rugged Road to Adventure" Roundup program this fall. The Roundup is a membership recruiting effort in which all Scouts and Scout leaders in the District will participate.

The program will be presented to Scout leaders at the District's annual kick-off meeting at the Mundelein High School, Wednesday, August 11. An informal dinner will start at 7:15 p.m.

The Round-up will include unit membership pledge cards, uniform day, individual roundup emblems, unit roundup banners, and get-acquainted-with-scouting meetings.

Every unit will be encouraged to set a membership goal to be achieved by Dec. 31. Units which achieve their goal will be awarded the Honor Unit banner.

Uniform Day in the Northwest district will be Sept. 24. All Cub Scouts, Boy Scouts and Explorers will wear their uniforms to school this day.

Individual Roundup emblems will be awarded to all Scouts who recruit a new member between Sept. 1 and Dec. 31. Leaders of units that qualify for the "Honor Unit" roundup banner will wear the attractive embroidered emblem.

New Baby

Richard and Pat Mauck welcomed their second son and fourth child July 22 at St. Theresa hospital. James Richard weighed 8 pounds, 7 ounces.

Welcoming their new baby brother are Patrick, Cindy and Debbie. The grandparents are Mr. and Mrs. John McNardis of Waukegan and Mr. and Mrs. Frank Mauck of Round Lake.

Trip Home

Donald and Ruth Tuttle and baby Don took their niece, Linda Harris, back to Steubenville, Ohio, recently after the young lady was their house guest for three weeks. Also accompanying them was their 18 year old niece, Connie Booth, who is staying with them.

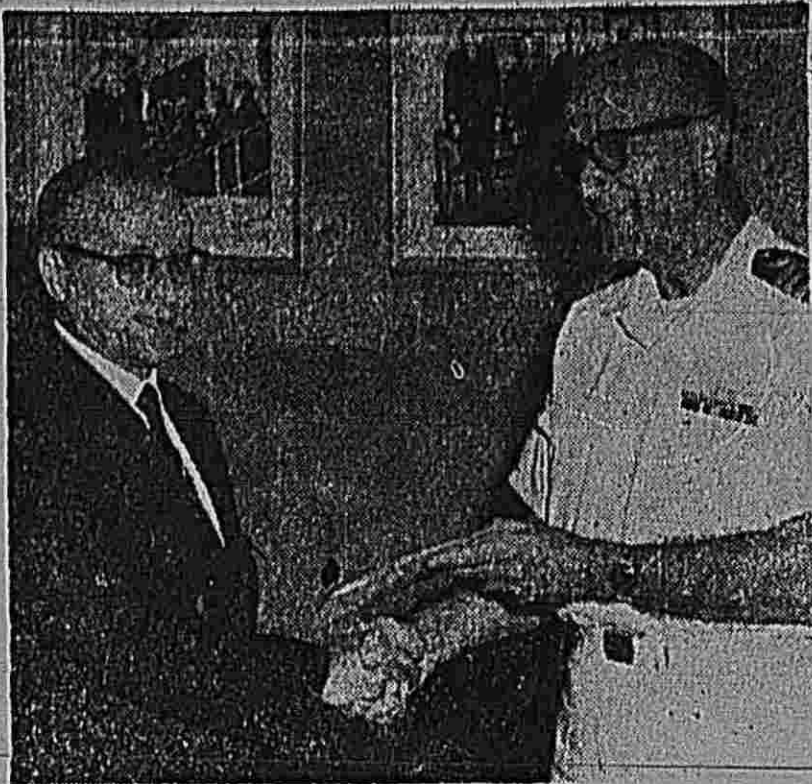

Mrs. Albert Murphy is visiting her son in Carey, Ill. Her daughter-in-law is ill and Mrs. Murphy is caring for her grandson.

Found

A set of keys was found in the water at Millmore Beach last week. The owner may have them by calling 356-7978.

ANY OLD MACHINERY?

Old-time farm machinery is still being sought for the antique Farm Equipment museum to be opened at the 1965 Illinois State Fair.

State Fair officials hope that the museum, which will be located at the south end of the Farm-A-Rama building, can remain open the year around.

Information on the museum is available from its curator, James Brunk, c/o the Illinois State Fairgrounds in Springfield.

The Fair will open Friday, August 13, and continue through Sunday, Aug. 22.

Hartokolis, Dawn Finley, Barbara Ann Boreen, Linda Schwanke, Michael Stebbins, Russell Wolter, Laura Lee Hartokolis and Barbara Ann Boreen.

Anniversaries

Happy anniversary to Mr. and Mrs. B. E. Bonfoey on their seventh anniversary July 12. To Fred and Esther LaChance on their sixteenth anniversary July 23. To Bud and Dee Flint on their 13th anniversary July 26. Also Ray and Pat Parpan, 14 years on July 28. Steve and Evelyn Krakowski, 28 years on the 31st. Ice Cream Social

For an afternoon and evening of visiting with your friends and neighbors stop at St. Mark Lutheran Church in Lindenhurst Sunday, August 1 from 4:30 until about 8:30 p.m. The Luther League of the church will serve cake and pie at their ice cream social. The public is invited. A pleasant evening is promised.

Prince of Peace Church

The Altar and Rosary Sodality of Prince of Peace Church will receive Holy Communion next Sunday, at the 8 a.m. mass. All ladies of the parish are invited to attend with them.

The Sodality will not have an August meeting, due to most of the parishioners being on vacation. They will resume September 1.

The Parish school is in need of a qualified teacher. Anyone interested should call Father Lynch.

Mrs. McManus of the Archdiocesan School Board announces that teachers are needed in schools throughout the Diocese. For information call 527-3200.

SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

DON'T WORRY ABOUT CHICKENPOX.

Springtime can mean chickenpox time for thousands of American children and a time for serious worrying by parents.

However, most of these fears are unwarranted for while chickenpox is one of the most contagious childhood diseases—it is also one of the least serious. Fortunately, it is not related to the dread disease smallpox, which frequently causes disfigurement or death.

Most often, chickenpox attacks children between the ages of two and six years. Even newborn infants may not be completely immune, however. The invading virus takes about 16 to 21 days to incubate and produce symptoms. At the end of this time, there may be a slight fever—seldom over 101 degrees—headache, and backache. The eruption usually begins within the next 24 hours, although at time it may be the first and only symptom noted.

The familiar chickenpox rash is usually first seen on the trunk, spreading in crops of three or four lesions every 12 to 24 days. Each crop takes about 36 hours to pass through a typical series of distinct stages: (1) a raised, red spot or bluish; (2) a blister filled with fluid; (3) a blister filled with pus; (4) a dried-up blister containing no pus; and finally, (5) a crust which will fall off or dry.

While the individual lesions of chickenpox and smallpox are somewhat similar, several characteristics differentiate them.

First, chickenpox lesions appear in crops, usually one day apart, while smallpox lesions appear all at once. Secondly, smallpox lesions are much more deeply seated. Thirdly, fever and sickness are most severe preceding the eruption in smallpox, but are at their peak when the rash breaks out in chickenpox.

Even though complications of chickenpox are rare, it is not wise to treat the disease in too cavalier a fashion. First of all, picking or scratching at the rash can

cause a severe skin infection called erysipelas. If the infected scratches occur too near the throat or back of the neck, serious swelling of the glands in the neck may take place. What's more, picking at the lesion before it is ready to come off can cause unsightly scarring.

To reduce the possibility of these complications in your young chickenpox patient, follow this simple regimen:

1. Keep fingernails cut short.
2. Make certain hands and nails are scrubbed clean several times a day.
3. Give a tub bath every day, and change bedding and clothing daily.
4. Make frequent application of calamine or other soothing lotions to relieve itching, which at times becomes intense.

Most important, contact a physician when your youngster comes down with chickenpox. He's your best insurance against any complications that could arise.

HOW TO LIVE IN PEACE.

"At this time of confusion, uncertainty and unrest in so many areas of activity we might well think of William Penn when in a critical period facing his people he met with the Indian chieftains and said, 'My friends we have met on the highway of good faith. We are all one flesh and blood. Being brethren, we shall not take advantage of one another. When disputes arise we will settle them in council. Between us there shall be nothing but openness and love.' The Indian chiefs replied, 'While the rivers run and the sun shines we will live in peace with the children of William Penn.'"

Climate is not a factor in the care and treatment of tuberculosis. A TB patient can best be treated in a sanitarium near his home.

DEATH NOTICES

GEORGE W. ANDERSON

Funeral services for George W. "Bud" Anderson were held at 11 a.m. Tuesday at the Strang Funeral Home in Antioch. The Rev. Virgil Smith of the Lake Villa Community Methodist Church officiated at the services. Interment was in Liberty Cemetery north of Antioch.

Mr. Anderson died Tuesday, July 20, in Okinawa.

THE THINKING MAN

From the Ault, Colo. Progress: "We can hardly agree with the statement that people cannot think for themselves. We consider and sincerely believe that every American is a sound thinker, an energetic worth-while human, but his incentive has been taken away from him. He has been brain washed with Poverty ideas, with Welfare ideas, with Aid programs, until he believes that only Washington can do what needs to be done. To us this is extremely disappointing—we have stated many times, and still believe in PIONEER SPIRIT—the drive and intestinal fortitude which discovered this great country of ours."

LICENSE PLATE

"MY" PREFIX

SPRINGFIELD — Attorney General William G. Clark has held that the Secretary of State is without legal authority to restrict use of the "MY" series of automobile licenses to motorcycle Registrations. This would mean, Clark's opinion advised Secretary of State Paul Powell, that a person now holding a "MY" license plate for an automobile can secure its reassignment to himself by making application for reassignment on or before Oct. 31 of the current year.

a.m. in Victory Memorial Hospital, at Waukegan, after a four day illness.

Mrs. Baxter was born Nov. 23, 1905 near Richmond, and had lived in the Richmond and Antioch area all her life. She had worked at several resorts in this area. Survivors are her husband, Adolph, her mother, Mrs. Ivan Aronson, Channel Lake; a brother, Gordon Smoak, Channel Lake; 1 step-brother, Roy Aronson, Pell Lake, Wis.

Funeral services were held at 1:30 p.m. Saturday, July 24, at the Strang Funeral Home in Antioch, with the Rev. Harold I. Nelson of St. Mark Lutheran Church at Lindenhurst officiating. Interment was in Liberty Cemetery north of Antioch.

R. ALLEN BENJAMIN

R. Allen Benjamin, 50, 908 Elm Place, Glencoe and Lake Marie, Antioch, died July 23 in Victory Memorial Hospital, after being taken to the hospital by the Antioch Rescue Squad. Mr. Benjamin was the son of the late Reuben B. Benjamin, founder of the Benjamin Electric Mfg. Co., the Benjamin Electric Ltd. of London, England, a co-founder of the Better Government Assoc. of Chicago and the Garfield Park Baptist Church.

R. Allen Benjamin was born June 18, 1907, in Chicago. He graduated from Dartmouth College in 1929, spent six years with the Harris Trust & Savings Bank, and after the death of his father, joined the Benjamin Electric Mfg. Co. in 1935. He spent 20 years with the company, holding the positions of director, vice president and corporate secretary.

He sold out the family interest in the company in 1956 and has since devoted himself largely to civic and family affairs. He was one of the founders of the North Shore Mental Health Assoc., an organizer of the North Shore Chapter of SPEBSQSA, and an active member of the Glencoe Union Church. Other activities included official positions with the Ill. Society Sons of the American Revolution and memberships in Skokie Country Club and Michigan Shores Club.

Machine-Age Tic-Tac-Toe At Ill. Bell Fair Exhibit

Illinois Bell Telephone, along with thousands of residents in this area, will put on its best bib and tucker to attend the Lake County Fair in Grayslake, according to Manager Dick Miller. The fair will be in full swing from July 28 through August 1.

Miller stated, "We're going to install a number of electronic display units which we think are entertaining as well as instructive. We expect the most popular will be a mechanical brain which has been acknowledged international Tic-Tac-Toe champion. A similar unit is currently pitting its skill against that of visitors to the World's Fair in New York. No one has managed to beat this brain in New York, but we're not complacent. Technicians are now busy polishing and limbering up our champion for a battle of wits with Lake County Tic-Tac-Toe enthusiasts."

The brain of this unit is actually a switching system similar to the one which handles your telephone calls. The player merely dials the number of the square he wants to mark, and the ma-

chine responds by marking its own square in a fraction of a second. The actual plays which operate the machine are in view so the mechanical action can be seen by the player. The machine has been tied but never beaten.

"But who knows," said Miller, "some Lake County resident may come up with a system which will beat the computer!"

Other electronic units include a working switching system which sets up an actual talking circuit between two phones and visual display of Direct Distance Dialing.

For the convenience of fairgoers, a mobile coin telephone trailer will be rolled onto the fairgrounds. Attendants will be on hand at all times to make change for callers and to explain the fine points of the exhibits. Favors and booklets will also be distributed.

"We hope every man, woman and child in Lake County can visit with us at some time during the fair," said Miller. "We expect it to be the biggest and best ever."

Get a Horse!

"...the wheel (has) turned full circle. The turning began in the long ago when boys shouted at Henry Ford and his first disciples, 'Get a horse!' The circle ends now as the newspaper ad shouts in so many words, 'Get a horse!'"

"Actually I think it was a very big mistake for the motor world to reject animals as thoroughly as it once did. Perhaps the names of some of today's cars, such as Impala and Wildcat and Mustang, are an unconscious confession that this is so."

"I can see all sorts of wonderful possibilities if the motor world will meet the animal world half way."

"...bright young engineers might make a special study of a camel, then design a car that would take you all the way to Omaha on a tankful of gas."

"Another useful car will be the Billy Goat 6. This car will help end the nuisance of automobile junk yards."

"The Kangaroo Special will be a wonderful car for expressway traffic. If you are like me, you know how frustrating it is to pick a certain lane and find out that you guessed wrong. I always choose the lane where someone stalls or runs out of gas, tying up traffic for miles. The Kangaroo Special has the answer for this. Just press the steering post or a dash-mounted button and the car will leap to an adjacent lane."

"Another effective motor vehicle for heavy traffic will be the Skunk Cabriolet. If the highway gets too crowded you will just press the steering post again (or a dash-mounted button) and... well, the makers guarantee that traffic will thin out in a hurry!"

"I have my heart set on owning a Mule V-8... when it is stopped for a red light and the light changes and I delay momentarily in starting up and the driver behind me honks his horn — then the Mule V-8's right rear wheel lashes backward viciously, shattering the grill of the

"10. A complaint filed in Columbus, Ohio, stated that six men were arrested for gambling in the waiting room of the unemployment office."

"The Mount Sterling Democrat-Message."

"9. A burglar in Santiago, Chile, who entered a man's house while he slept, lifted him gently off the bed and put him on the floor without awakening him — then made off with the bed!"

ONE MAN—ONE JOB
SPRINGFIELD—A person cannot serve simultaneously as a member of a county board and as a director of the county tuberculosis board, Attorney General William G. Clark has held. Therefore, Clark's opinion advised State's Attorney Robert V. Wilson of Saline county, the appointment of a county board member to the county tuberculosis board in Saline county was void.
